

PRESCRIPTION DISCOUNT CARD PROGRAM UPDATE 9.20.11

In October 2008, the National League of Cities (NLC) announced a new Prescription Discount Card Program to help residents of member cities cope with the high cost of prescription medications. Shortly thereafter on March 16, 2009, the NLC, in conjunction with the City of Deer Park, introduced the Prescription Discount Card Program to Deer Park residents. The City of Deer Park is 1 of only 25 cities in the State of Texas currently offering the program. Since its inception, the program has saved Deer Park residents a total of over \$68,602 on prescription drugs. In August 2011, the program had 66 participating Deer Park residents and the average savings per prescription was \$9.50, which is an estimated 20.8% in RX savings. ***As of August 31, 2011, the City of Deer Park was #19 in the top 20 cities in the nation with the highest cumulative savings.***

The card is free to all Deer Park residents, regardless of age, income or existing health insurance. By using the card, residents can save an average of 20% off the regular retail price of prescription drugs at participating pharmacies. There are no membership fees or enrollment forms required to get the card. Rest assured that personal information remains confidential and the City of Deer Park only receives monthly reports showing overall participation numbers and statistics.

Residents may access the program online to print a card, check drug prices and locate participating pharmacies at www.caremark.com/nlc.

You may also pick up a card at the following City of Deer Park facilities:

City Hall, 710 E. San Augustine
Community Center, 610 E. San Augustine
